

# Wild Personalities

2022-2025 VOYAGES | EXPEDITIONS.COM

A large colony of King penguins is gathered on a dark, rocky beach. In the foreground, a large, dark elephant seal is resting on the ground. The background features rugged, brown mountains with patches of snow under a clear blue sky.

Whether it's the awe-inspiring sight of 100,000 penguins on a rocky South Georgia beach or a single polar bear crossing a pristine Svalbard ice floe, encountering wildlife in their natural habitats is an unmatched thrill.

With more than 50 years of experience, expert Captains and Naturalists, and trained wildlife spotters always on the lookout, our expeditions offer rare opportunities to witness life in the planet's most extraordinary and remote places.

# Whales

All over the world, our expeditions provide opportunities for special encounters with the oceans' gentle giants. In Baja California, witness a mother gray whale lifting her calf out of the warm gulf water to show her off to our Zodiac. In Alaska's Glacier Bay, marvel at a group of humpback whales bubble-net feeding. Or experience the magic of searching for blue, fin, sei, and more of the 20 species of cetaceans found around the Azores.

or visit [expeditions.com/circumnavigate](https://expeditions.com/circumnavigate)

The blending of cold and warm ocean currents around Iceland bring abundant fish and krill that in turn attract 24 species of whales, from minke and humpbacks to orcas and porpoises. Our uniquely immersive Iceland expeditions increase our chances of whale encounters.

## Islands of the Azores: Fado Music to Fin Whales

10 Days | From \$10,000 | 2023-2024 Apr

Scan QR code for itinerary details and current rates  
or visit [expeditions.com/azores](https://expeditions.com/azores)

One of the world's best places for whale-watching, the Azores, off Portugal's coast, has a resident year-round population of sperm whales. Sei, fin, pilot, blue, and minke whales are also prevalent, as are a variety of Risso's dolphins.

# Bears

Majestic and mighty yet lumbering and pigeon-toed, bears can be spotted looking for seals on Arctic pack ice or in the snowcapped mountains of Alaska. Our expeditions cross the globe to enter the realms of the black, brown, and polar bear, as well as the elusive British Columbian spirit bear.

## Land of the Ice Bears: An In-Depth Exploration of Arctic Svalbard

11 Days | From \$12,350 | 2023-2024 May-Jun  
Scan QR code for itinerary details and current rates  
or visit [expeditions.com/bear](https://expeditions.com/bear)

Just 600 miles from the North Pole, the high Arctic archipelago of Svalbard is one of the most reliable places to see polar bears in the wild. Our expertise in reading climate conditions and ice helps us find where polar bears will be active.

## Svalbard, Iceland & Greenland's East Coast

Sail into the narrow fjords of northern British Columbia and enter the domain of the rare Spirit Bear, a variant of the North American black bear that has white fur and can only be found in the Great Bear Rainforest.

# Birds

Graceful cranes and comical puffins, resplendent quetzals, majestic eagles, and exotic cassowaries—birds fill the world's forests, cliffs, and skies with beauty and character. Traveling by ship, we have the ideal vantage point to observe enormous colonies of seabirds as they swoop in and out of nests on sheer cliff faces. Or, walk under thick rainforest canopies on the lookout for toucans, chattering parakeets, and scarlet macaws.

## Costa Rica & the Panama Canal

8 Days | From \$6,620

2022 Dec; 2023 Jan-Mar, Dec

Scan QR code for itinerary details and current rates or visit [expeditions.com/wild](https://expeditions.com/wild)

Explore the Pacific's beautiful beaches and jungles on our flagship Costa Rica program. Along the mangrove-fringed Golfo Dulce, hikers and kayakers might encounter keel-billed toucans, perhaps tossing fruit into the air and catching it with their impossibly large beaks.

## Navigating the Atlantic Coast: Brittany, Wales & England's Channel Islands

10 Days | From \$11,320 | 2023 Apr

Scan QR code for itinerary details and current rates or visit [expeditions.com/atlantic-coast](https://expeditions.com/atlantic-coast)

Travel along the scenic coastlines of France and Britain and enjoy coastal walks in spectacular locations, such as Brittany's Iroise Marine Nature Park—a UNESCO biosphere reserve. In its tidal flats, spot elegant herons and the large Eurasian spoonbill, which sweeps its bill side-to-side to catch lunch.

## Exploring the Bahamas' Out Islands: Natural Wonders & Hidden History

8 Days | From \$5,590

2022 Dec; 2023 Feb, Mar, Dec

Scan QR code for itinerary details and current rates or visit [expeditions.com/outislands](https://expeditions.com/outislands)

Discover the wild side of the Bahamas, where only 30 of 700 islands are inhabited. Crooked Island is known for its beautiful endemic hummingbird, the Bahamas woodstar, and easily-seen nesting populations of the brilliant and quirky West Indian flamingo.

## Wild South America: The Guianas to Brazil

24 Days | From \$26,340 | 2022-2023 Sep

Scan QR code for itinerary details and current rates or visit [expeditions.com/wildamazonia](https://expeditions.com/wildamazonia)

Toucans and tanagers, motmots and macaws are among the 600 species of avifauna we might find in five countries. Begin in Trinidad and Tobago where we witness the spectacle of hundreds of scarlet ibis returning at dusk to roost.

# Penguins

Whether waddling, preening, vocalizing, or shaking water off their compact bodies, penguins are a joy to observe in the wild. Watch as they playfully slide on their bellies off icy shores and into the Southern Ocean or congregate in noisy rookeries that stretch as far as the eye can see. Don't forget about penguins in warmer climes, like New Zealand's little blue penguin and the diminutive Galápagos penguin.

## Journey to Antarctica: The White Continent

14 Days | From \$15,380 | 2022 Nov-Dec;  
2023-2024 Jan, Feb, Nov, Dec; 2025 Jan, Feb  
Scan QR code for itinerary details and current rates  
or visit [expeditions.com/antarctic](https://expeditions.com/antarctic)

Our classic Antarctica itinerary delivers chinstrap, gentoo, and Adélie penguins galore. Kayak in protected waters, paddling as penguins swim nearby; or, take a Zodiac into ice-choked channels and land on distant shores to explore on foot, observing penguin colonies close up.

## South Georgia and the Falklands

The warm waters of the picture-perfect islands we visit like Samoa, the Cook Islands, and Fiji, are well-known dive destinations for the opportunities they provide to encounter marine life including humpback whales, manta rays, spinner dolphins, sharks, and thousands of reef fish.

## Sailing the East China Sea: Japan, Okinawa, and Taiwan

15 Days | From \$20,050 | 2023 Sep  
Scan QR code for itinerary details and current rates  
or visit [expeditions.com/japan](https://expeditions.com/japan)

The waters of the gemlike islands of the East China Sea—the largely unknown Kerama, Miyako, and Yaeyama islands—are home to three species of sea turtles, manta rays, and the elusive manatee-like Okinawa dugong.

## Colors of Indonesia: Corals, Komodos, & Vibrant Cultures

13 Days | From \$12,670 | 2023 Sep  
Scan QR code for itinerary details and current rates  
or visit [expeditions.com/indo-colors](https://expeditions.com/indo-colors)

The Moluccas, Raja Ampat, and West Papua dazzle with legendary coral reefs. In Raja Ampat, 76 percent of the world's coral species support 1,500 fish species, five sea turtle species, and seven species of giant clam.

# Rare

The remote and wild places we explore live up to their lore with dramatic landscapes, exotic wildlife, and enthralling marine worlds, all thriving with little human visitation. In these far-flung locations live rare and intriguing wildlife, like a rusa deer that swims and barks and a tamandua whose daily diet consists of 9,000 ants.

## Wild Belize Escape: Wildlife, Reefs, and Rivers
